PROGRESSIVE CLUB OF

STINSON BEACH

MARIN COUNTY :: CALIFORNIA

February 2, 1949

Dear Friend:

We start this year with a great new interest. The first unit of your Community Center, the Fire House, is under construction. The Progressive Club has worked with other organizations to make this possible. We now plan to work toward the next unit of the Center.

The Christmas Pageant was truly a beautiful event and brought great praise from all who saw it. This event is another example of true community spirit, for all organizations and groups worked together to make it a success.

The Club has continued its work for the young people. We sponsor a Cub Pack and Camp Fire Group. This last year we were able to obtain leadership and organize a Scout Troop. The Club helped several of the boys and girls to attend a summer camp. The Easter Egg Hunt has become an event of interest to young and old alike.

As in other years our activities have included participation in the July 4th Carnival, cooperation with the Mill Valley Chamber of Commerce in sponsoring the Dipsea Race, the maintenance of the garden strip and street signs. We have again had speakers on civic and county functions.

Your officers for this year are:

Lester B. Sadler, Jr.
Chauncey Jacques
Mrs. Joseph Lawrence
Mrs. Robert Reinhardt

President
Vice President
Secretary
Treasurer

We welcome your suggestions for the coming year and invite your active participation in our work.

Dues are \$1.50 per year, per person. Membership in the Progressive Club automatically gives you membership in the Stinson Beach Community Center Inc. We meet the first Wednesday of each month.

Sincerely,

PROGRESSIVE CLUB OF STINSON BEACH

TRAFFIC CONFERENCE RE-SCHEDULED FOR JANUARY 9TH at 9:30 A.M.

The writer deeply regrets that flood and storm conditions necessitated postponement of originally scheduled December 4th Traffic Conference. Flood conditions were so serious in Marin County that declaration of a State of emergency therein was under consideration for awhile Monday and Tuesday of that week.

This important Traffic Conference is now re-scheduled for the following date:

JANUARY 9TH -- AT GRANGE HALL --
IN UKIAH -- 9:30 A.M.

It is sincerely hoped that you will attend this important conclave, during which a definite schedule of operations will be established. Your ideas, your advice and counsel are most particularly desired.

Hoping to see you in Ukiah on January 9th and with holiday greetings and regards, I am

Cordially yours,

T. Fred Bagshaw
